Commander's Corner

Greetings from your Commander

As a new Legion Year approaches we will see some changes in the Legion Leadership. The new Adjutant will be D.R. Miller and the membership chairman will be Steve Hirl. These two gentlemen will be in charge of membership for the coming year. And yes, the 2018 cards are now available for those that want to get in early. There is no price increase this year, still only \$43.00. Break it down to one beer a month and a modest tip. I am proud to announce that Post 460 made Target this year with 229 paid members. Wednesday July 12th will be our meeting night. Please make every effort to attend.

I believe this is the Legions 98th year. Year 100 is coming up and it will be time to celebrate this great organization. Also, it is up to the younger veterans to keep the Legion going.

The Memorial service was great except for my one booboo for which I sincerely apologized for. Thanks to everyone that attended and special thanks to all that helped make it a success. The Freedom Rock was dedicated.

Solon Beef Days are just around the corner. We need help at the Legion. Stop in and sign up. I want to thank everyone in advance for all the help that we will get at the Legion.

Always remember that the Legion is not one person. It is a great organization. Just because you have an unpleasant encounter with a Legion member or the Club, do not blame the Legion.

For God and Country.
still your commander,
Jim Leland

Some gave all, all gave some - Your Legion needs your support!

Chaplain's Message

The Road That Gets You There

Early in the 1800s, when many people were migrating westward, the so-called National Road was well traveled. Beginning in the Baltimore area, it crossed the Alleghenies, then ran to the west-Wheeling, Columbus, Indianapolis, and beyond. Along the way were supply stores, inns, taverns, and toll stations. At the time the National Road was very important, taking people where they wanted to go to settle down.

The all-important spiritual road that takes us through life to our heavenly home above is the road of faith in Jesus Christ. Along the way are places where life's travelers can rest and be refreshed: Christian churches, schools, homes. But there are no toll stations. Offerings are taken, yes, but these are gifts gladly given for the spread of the Gospel. The road to eternal life is free. It was built by Jesus Christ, the pioneer and perfecter of our faith. It came into existence when He himself walked Calvary Road to be sacrificed on the cross for our sins.

The National Road had difficult passages as it ran through mountains, across swollen streams, and over steep grades like the one at Uniontown, Pennsylvania. Similarly, the road that Christ walked and that He bids us take is beset by obstacles. Our Savior has told us, "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction...But small is the gate and narrow the road that leads to life." (Matt. 7:13-14).

The question is not whether Christ's way is an easy one, but is it the right one? Our Lord settled this question for us when He called Himself the Way, the Truth, and the Life-the only way to the Father. Christ is the road that gets you there.

Peace be with you.

John McFarland, Post Chaplain
